

WANT TO TEACH? TRAIN TO TEACH WITH US!

Why train with us?

- We partner with Trinity Institute of Education, Yorkshire Rose Teaching Partnership and lead provider National Institute of Teaching (NlOT).
- Our Primary (both 3-7 and 5-11) and Secondary teacher training programmes can be undertaken either full or part-time.
- Our 'School Direct' model places you in school from day one to support your learning and understanding of teaching.
- Receive dedicated and professional support throughout your training.
- Learn from outstanding professionals and experts from lead and multi-academy schools.
- Gain experience of different school environments through our carefully selected placements during the programme.
- Become a qualified teacher in one year (full-time).
- Gain a Post Graduate Certificate in Education with Qualified Teacher Status and 60 Masters credits.
- 98% of our trainees gain employment after completing their training with us.
